Beyond the heritage venue...

YESTERDAY. READY FOR TOMORROW.

Tour & Taxis is a unique site where history meets the future. Once a vital logistics hub shaping European transport, it has evolved into a vibrant space for work, lifestyle, shopping, and events.

At its heart stands the Hôtel des Douanes, designed by renowned Belgian architect Ernest Van Humbeek and completed in 1907.

Originally the administrative center for customs affairs, its elegant two-storey banking hall and heritage architecture make it a remarkable setting for exclusive events.

TODAY, THIS HISTORIC GEM HAS BEEN REIMAGINED AS THE PERFECT CANVAS FOR YOUR EVENT.

HOTEL DES DOUANES

HOST YOUR EVENT IN A HISTORIC LANDMARK

The Hôtel des Douanes at Tour & Taxis is more than just a venue — it's an experience. A unique blend of heritage, elegance, and modern functionality, it offers the perfect setting for unforgettable events. Here's why it stands out:

1. A PRESTIGIOUS HERITAGE VENUE

Step into history with a venue that embodies early 20th-century architectural grandeur. Designed by Ernest Van Humbeek and completed in 1907, the Hôtel des Douanes retains its original charm—steel columns, a glass-roofed banking hall, wood paneling, and granite staircases—offering a distinctive and inspiring backdrop for your event.

2. VERSATILE & TAILORED SPACES

From meetings to grand receptions, the venue adapts to your needs. With its naturally lit event spaces, flexible configurations, and access to adjacent venues on the Tour & Taxis site, we can accommodate events of any size, from 10 to 10,000 guests.

3. A LIMITED-TIME OPPORTUNITY

This ephemeral venue is only available until Spring 2026, making it a rare chance to host your event in a piece of history. Don't miss the opportunity to create lasting memories in this iconic and exclusive location.

SUSTAINABLE EVENTS, LASTING IMPACT

Sustainability at Tour & Taxis goes beyond eliminating plastic cups and straws—it’s about making a real difference. The Hôtel des Douanes embraces eco-friendly practices, ensuring that every event respects both history and the environment.

As part of a Green Key-certified site, our operations meet strict international sustainability standards, balancing heritage preservation with a commitment to the future. We deliver top-tier service while integrating responsible solutions, and we encourage our partners, suppliers, and clients to do the same.

HOST YOUR EVENT SUSTAINABLY—BECAUSE HISTORY AND THE FUTURE DESERVE EQUAL CARE.

1 Ventilation of the workspace surfaces happens through geothermal processes and radiant ceiling heating and cooling, minimizing the need for any fossil fuels.

2 Original construction elements such as the panelling on the walls, solid granite stairs, steel columns and roof construction remain in the interest of circularity and zero waste.

3 Hôtel des Douanes aims to reach an outstanding BREEAM rating, a Well Platinum Gold and DNGB Gold certification.

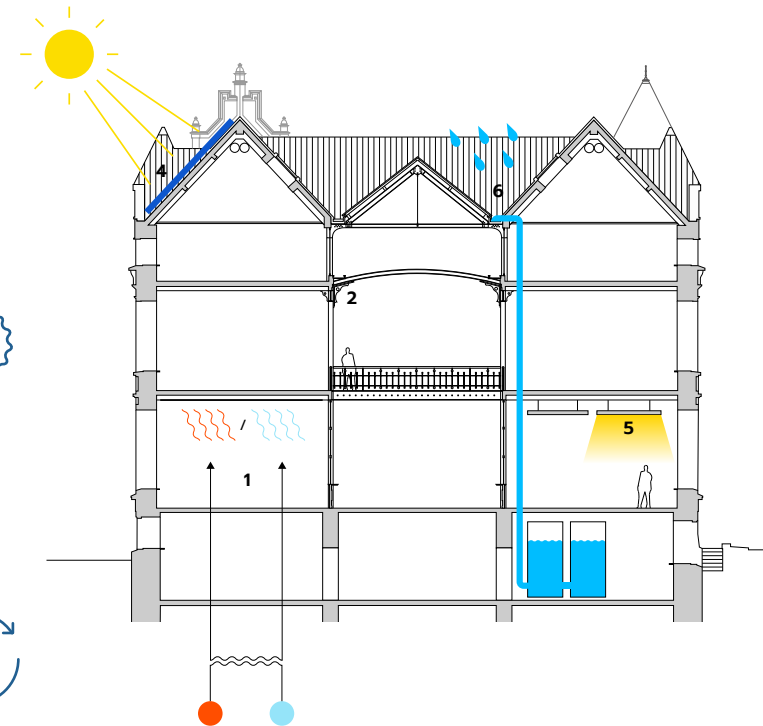

4 Electricity is produced by a maximum number of photovoltaic panels on the roof.

5 LED light fixtures dim automatically in function of daylight or absence of staff.

6 Rainwater is collected and reused for sanitary purposes.

GARE MARITIME

TOUR & TAXIS: ENDLESS EXPERIENCES. UNFORGETTABLE MOMENTS.

Gare Maritime is an innovative hub by the canal in Tour & Taxis, blending unique retail, work, and social experiences. It hosts impact-driven businesses focused on innovation and creativity to inspire positive societal change. Ideal for cultural events, shoots, trade shows, product launches, and promotions.

Maison de la Poste is a dynamic and historic district that houses a wide variety of prestigious venues. From intimate dinners and networking events to major congresses and exhibitions, Maison de la Poste offers upscale, flexible event spaces to suit any format or guest count.

The Sheds are a striking example of Tour & Taxis' transformation. With over 17,000 m² of modular space beneath their iconic sawtooth roof, they've become one of Brussels' largest and most dynamic event venues — hosting major happenings like Streat Fest, Affordable Art Fair, Comic Con Brussels and more.

IN THE HEART OF IT ALL

This major urban zone is conveniently situated in the heart of Brussels' former dockyards and is easily accessible by road, rail, airport, and public transport.

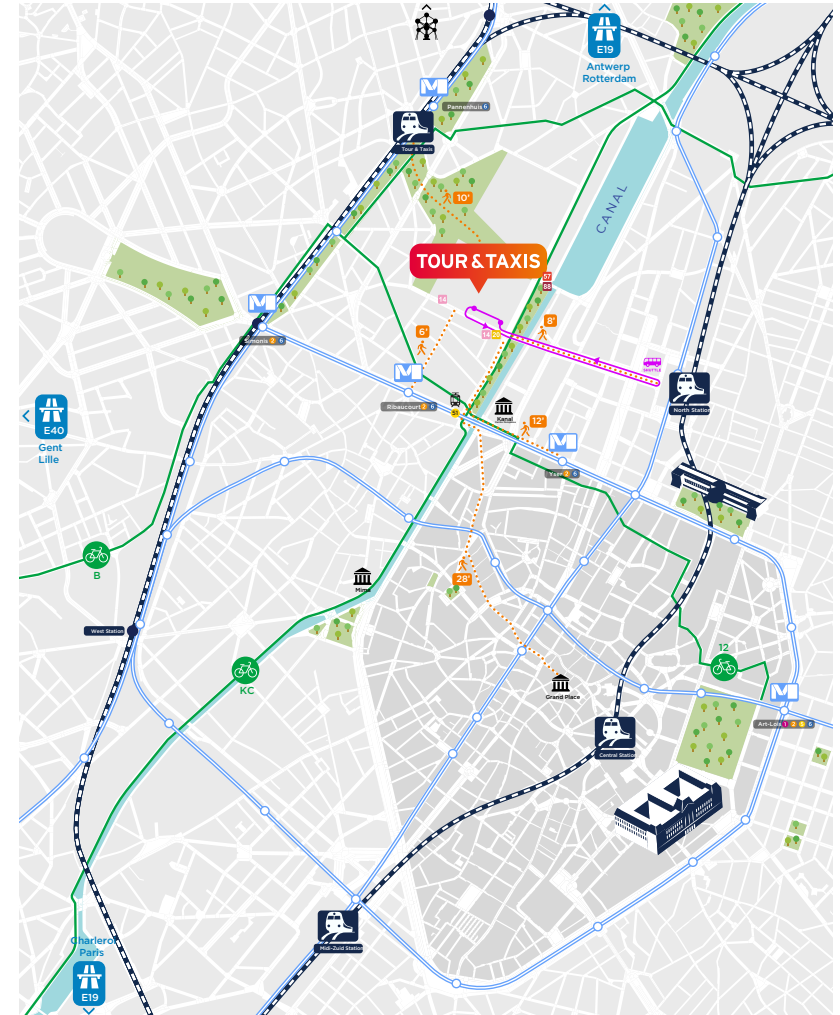

Brussels Airport provides direct **flights** to nearly 250 destinations and is just 10 km away. The city is also well connected by **rail**, with high-speed Thalys and Eurostar services allowing access from many European cities in under three hours.

Brussels' **public transport** network offers excellent connectivity, with buses, trams, metros, and trains just minutes from Tour & Taxis. A free direct shuttle from North Station ensures seamless transfers for event attendees.

For those arriving by **car**, Tour & Taxis is only minutes from the Brussels ring road, offering connections to major motorways and Brussels Airport. On-site parking is available, including spaces for people with reduced mobility.

The site also encourages **ecofriendly transport** options such as bikes, scooters, and e-bikes.

Download the access map in [French](#) or in [Dutch](#).
